From the Chairman's Desk

Dear Well -Wishes

I am Very much delighted to meet you through this News Letter **Nethravathi Pain, Palliative Care & Rehabilitation Centre** of Aishwaryam Trust. It brings out news about all our medical, social and other philanthropic activities. More news about the activities of Nethravathi Pain. Palliative Care & Rehabilitation Centre (NPPCRC)

The NPPCRC works in the following ways:

- ★ Rescuing the abandoned ill patients.
- ★ Sheltering, providing food, clothes, medicines and best possible treatment and hospice care.
- ★ Reunite the optimally recovered to manage themselves with their family
- ★ Perform dignified burial/cremation when they end their lives.

Above and beyond, **Aishwaryam Trust** involve in numbers of other social services that require our attention and care. Thank you your all your generous support without which we cannot have reached 2837 homeless terminally ill patients ever since inception. We solicit your continuous and generous support.

With kind regards,

Dr. R. Balagurusamy

Palliative Care at NPPCRC

Palliative care is specialized medical service to people with serious illness. It includes sheltering, food, medical treatment towards pain relief, and optimal rehabilitation measures. At NPPCRC, Patients are elderly homeless terminally ill. They are often are abandoned by their family and found on streets, pavements, market places or nearby hospital in deteriorated conditions. Most of them are rescued on reference by police, social welfare department, or general public. Palliative Care is supporting terminally ill patients to live a dignified, painless life and peaceful departure to eternity.
